Ridgeway School and Playground, 420 East 8th Street, North Vancouver

Ridgeway Elementary is 100 years old!

Come celebrate a century of the school's special place at the heart of our community. The staff and students at Ridgeway invite everyone ... past students, teachers, administrators, support staff, parents and neighbours who know and love the school ... to join us for Ridgeway's Birthday Party! We need your help to pass along this invitation. Tell your friends! Forward this email invitation or let your friends know by text, Facebook or even in person!

The Spring Fair is being held the same day

beginning at **11:30am - 2:30pm**, with fun activities for children.

Come and enjoy the festivities while you reconnect with old friends and fellow staff and students.

Visit the Heritage Display - we have the original strap and the principal's discipline log! Drop by to see your entry!

Refreshments will be served throughout the afternoon.

Official cutting of the cake will be at 2:30pm

We'd love to hear from you.

Visit Ridgeway's website, send us an email or find us on Facebook to reconnect and share photos and stories from your time at Ridgeway. We'd love to add your photos and memorabilia to our Heritage Display.
